Pleaded guilty to indecent liberty complaint made by two sets of parents. Was not prosecuted providing two things were done:

- (1) That he would disassociate himself from Scouting
 - (2) That he would prove that he was undergoing professional psychiatric care.
- The Scout Executive and Council Commissioner were involved in the complaint procedure from the day following the original parental complaint to police. We assured the authorities that the above action would be taken which Cormana, from his professional experience, knew would take place.

Re: William Cormana

Dear Mr. Lamott:

Thank you for your letter of September 23, 1969 concerning Mr. William Cormana, Scoutmaster of Troop 210. We have placed this information in our file and have taken steps to have his name removed from the Troop roster.

Enclosed is a confidential record sheet which we will appreciate your filling out and returning to us as soon as possible, together with any supporting documents or statements so that we may have them in this man's case history file. This information will enable us to identify Mr. Cormana, should he ever again attempt to register in the Scouting program.

I am sure you realize that this leaves Troop 210 without any registered unit leader. Undoubtedly, someone is taking over in this position. In order for the unit to continue to receive program inserts in Scouting Magazine, it will be necessary to advise this office of the name of the new unit leader. This should be done by filing with us an additional enrollment for this individual in his new position. Please do not file a separation notice as we have already dropped the current leader.

Sincerely,

Joseph Early, Assistant Director
Registration and Fulfillment Service

PERSONAL & CONFIDENTIAL

Mr. Howard Boyd
Director of Registration & Fulfillment
National Council, Boy Scouts of America

Dear Howard:

It is with the greatest reluctance that I am forwarding the name of William R. Cormana to be placed on the confidential file.

A former short-time professional man and a Scoutmaster for some years since that time, Bill was charged with "indecent liberties" involving specifically one Scout in his Troop. He readily admitted the charge and the authorities have agreed not to prosecute on two conditions:

1. That he leave Scouting immediately. Of course I assured them of this and met with the authorities and Bill to clinch this that he well knew as a former professional anyway.
2. That he place himself in the hands of a competent psychiatrist and take whatever treatment is indicated, the Sheriff to be notified by letter by the doctor certifying this.

Knowing that the law was working on the case last week, we stood by until the legal aspect had all been unwound and then, at the request of the Sheriff, stepped into it. Not only were the officers interested in trying to help Bill but they were extremely anxious that Scouting not be hurt in the manner in which they handled the case.

The background on Bill is as follows:

Age - 40
Height 5'10"
Weight 170 lbs.

Color Hair - Brown mixed with gray
Color Eyes - Blue

Scoutmaster, Troop 210, Inland Empire Council - Lifelong resident of immediate area. Former District Executive Idaho Panhandle Council for about 1-1/2 years living in Sandpoint, Idaho.

Sincerely,

Robert H. Lamott, Scout Executive
